Turface Quick Dry

Turface

The fine particles of Turface® Quick Dry® make it the perfect choice for quickly clearing up puddles and mud on skinned infields. Just dump and rake to make your infield safe and playable. Absorbs its weight in water! Won't harden or cake like similar water-absorbing products. Used to rescue more infields than any other brand. 50 lb bag.

#1303138

Turface MVP Soil Conditioner

Turface

Its larger particle size is excellent for incorporating into infield mix, topdressing to create a consistent and level playing surface, helping prevent rain outs, and improving native soil for turf renovations. Maintain a smooth, cushioned, playable surface for superior traction and player safety; Absorb excess moisture and improve drainage as a result of balanced air and water pore space; Fight infield compaction that leads to running, sliding and bad ball hop injuries; Ideal for new infield construction or renovation; 50 lb bag.

#1303140

Lawn & Garden Garden Fertilizer

General purpose fertilizer for farm, lawn or garden; *available in 25 or 50 lb bags:*

#1520010	15-15-15	50 lb
#1520020	10-10-10	50 lb
#1520025	5-10-5	25 lb
#1520030	5-10-10	50 lb
#1520040	10-20-20	50 lb

Cal-Turf™ Pro Limestone Old Castle

Cal-Turf Pro™ is more effective than limestone in raising soil pH. It begins to neutralize soil acidity immediately, resulting in soil pH increases that can be measured in weeks rather than months. Cal-Turf Pro allows lawn applicators to use 75% less product; saving your time, labor, transportation and storage. Cal-Turf Pro is formulated to contain a chelating agent and limestone within every pellet. *50 lb bag covers 10,000 sq ft.*

#1303032

Tropical White Play Sand Old Castle

Ideal for children's sand boxes; all-natural product from the Caribbean; bright white color; pure soft feel; screened sterilized and safe for children; silica-free. *40 lb bag*

#1303082

Granular Limestone Old Castle

Supplies calcium and magnesium, vital to the growth of plants; neutralizes soil acidity; 90% dust-free. *50 lb bag.*

#1303026

Guide Line Marking Limestone Old Castle

Guide Line White Athletic Field Marker is pulverized limestone. Approved by the NCAA. Use to define the boundaries of outdoor athletic playing fields. The choice of professionals; the white lines show up well against both grass and sand surfaces. *50 lb bag*

#1303024

Pelletized Limestone Old Castle

Practical means for correcting soil acidity problems; can be applied any time of the year; relatively dust-free; easy to spread; essential for healthy plant growth; highly recommended for lawn and garden use. *40 lb bag.*

#1303076

Pulverized Limestone Old Castle

Reduces soil acidity; unlocks plant nutrients to make fertilizer more effective; provides the right balance of calcium and magnesium, (35.8% Calcium, 2.4% Magnesium) improves soil structure. *50 lb bag*

#1303033

Cedar Mulch Capital Forest

Cedar Mulch is naturally resistant to insects, rot and decay, which results in a longer lasting mulch than most. Mulch helps reduce the growth of weeds and prevents the loss of water from evaporation. Ideal for landscaping. 3 cu ft

- #1301215 Natural Cedar
- #1301228 Red Cedar
- #1301232 Black Cedar
- #1303898 Brown Cedar

Butterfield Farms Mulch & Nuggets Gardenscape

Made of fresh and aged pines and hardwoods that will beautify your landscape. Bark and mulch products are of the highest quality that are shredded, sized, screened, and bagged at our facilities. Provides excellent moisture retention with slow decay properties and forms a weed resistant mat. 3 cu ft bags; Available in:

- #1301200 Pine Bark Mulch (100% shredded southern pine bark)
- #1301202 Pine Bark Mini Nuggets (¾" to 2" in diameter)
- #1301204 Pine Bark Nuggets (1 ¼" to 3 ½" in diameter)
- #1301205 Cypress Mulch (shredded North Carolina or Florida cypress)

Pro-Mix BX Premier Tech Horticulture

General purpose professional growing medium; increases nutrient absorption; decreases incidence of root disease; improves plant growth; minimizes fertilizer costs up to 30%; contains Canadian Sphagnum peat moss, perlite, vermiculite, dolomitic and calcitic limestone (pH adjuster), macro and micronutrients, wetting agent and Mycorise endomycorrhizal inoculum; 3.8 cu ft bale.

#1301214

BM 1 Growing Mix Berger

This family of all purpose mix is ideal for a wide variety of plants. Its composition of long fibre peat moss, perlite, vermiculite and starter fertilizer charge promotes a rapid root growth and uniform crop; 3.8 cu ft bale.

#1301216

Peat Moss Berger

This peat moss can be used as a soil amendment. It improves the composition of the soils and facilitate aeration and drainage. Its superior retentive capacity allows it to store both water and nutrients later to be distributed to the plant.

- #1301201 1 cu ft bale
- #1301210 2.2 cu ft bale
- #1301206 3.8 cu ft bale
- #1301208 5.5 cu ft bale

Pro-Mix Ultimate Potting Mix Premier Tech Horticulture

complete and ready-to-use, this peat-based POTTING MIX is suitable for potting or re-potting plants. Specially formulated for a wide range of plant species, this formulation provides optimum drainage and aeration which benefit plant growth. Uses; Indoor and Outdoor potting, Seed starting, Potted vegetables and herbs, & Planting flower beds.

- #1301260 6-8 qt bags/case
- #1301482 2 cu ft bag

Organic Products from Coast of Maine

This expanding line of organically certified plant food and compost-based soils represents a real environmental win-win: we are finding important new uses for our region's natural resources and introducing our customers to a cost-effective alternative for growing beautiful, healthy, disease and pest resistant plants. Four varieties available in 1 cu ft bags.

Bar Harbor Blend™ Premium Potting Soil

An organically approved, all-purpose potting soil; a rich, dark brown and full bodied, designed for re-potting house plants, planting hanging baskets, window boxes and all containers.

Made with lobster and aspen bark compost, long staple horticultural grade sphagnum peat moss and perlite. Like all compost-based soils, this too requires less watering.

Quoddy Blend™ Lobster Compost

Quoddy Blend is made from composted crab, lobster and aspen bark. The crab and lobster shells are a rich source of calcium and chitin, the aspen bark a source of tannins and lignins. It's a blend that's perfect for your vegetable garden, especially for your tomatoes! The calcium content is beneficial for lilacs and roses too.

Monhegan Blend™ Premium Top Soil

An exceptionally rich blend of naturally composted barks and fine sand. The result is a light, easy-to-use, all-purpose organic soil that is ideal for top dressing lawns or as a general purpose soil amendment. A beautiful lawn starts with healthy soil. That means soil with enough organic material to support the beneficial microorganisms that process the essential nutrients that feed your grass.

Schoodic Blend™ Composted Manure

A dark, rich soil made from carefully composted cow manure and peat humus. The cow manure, composted in Maine, comes from Pineland Farms Natural Meats in Aroostook County Maine. The composted manure is combined with aged peat humus, a unique carbon source that is rich in organic material, lignins and tannins. The result is a naturally light-weight, easy-to-use soil.

All Purpose Potting Soil

Gro-Max

A Select Blend of the Finest Natural Materials. Excellent for all indoor and outdoor plants. This product is a blend of natural organic humus, sand, composted forest products, and perlite.

#1303090 40 lb

#1303091 20 lb

Top Soil

Gro-Max

Ready to use. For trees, shrubs and lawns. This product is a blend of natural organic humus, sand, and composted forest products. All Organic - No chemical Additives.

40 lb bag.

#1303094

Composted Cow Manure

Gro-Max

The chief advantage of our Compost is its ability to improve soil structure. Good garden soil is loose and has a high water-holding capacity with adequate drainage. Adding the compost to heavy clay soil improves drainage by improving the water-holding capacity of sandy soils. Also, good soil structure is one of the best defenses against erosion, a considerable hazard in area where soils are left exposed. 40 lb bag.

#1303092

Organic Peat Humus

Gro-Max

Highly organic natural soil conditioner. This product is a blend of natural organic humus, sand, and composted forest products. Dark natural rich soil. Ideal for lawns, flower and vegetable gardens. Helps improve and loosen existing soil. 40 lb bag.

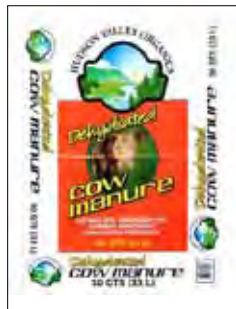

#1303098

Dehydrated Cow Manure

Gro-Max

Dehydrated cow manure is a natural organic soil conditioner with nutrient content. This product is consistent, and easy to use. It supplies nutrients and organic matter to your existing soil, increasing its fertility so you have richer stronger plants and vegetables. (1 cu/ft) 30 qt. 40 lb bag.

#1303114

Tubex Standard Tree Shelter - 5'

Octoraro Native Nursery

These tubes provide a micro-climate for trees which results in better initial establishment and higher survival rates, allowing for the planting of smaller trees which are cheaper and easier to source, and ultimately lead to trees with stronger roots. Higher air moisture within the Tubex treeshelter reduces water stress and enables the plant to survive in dry or drought conditions. Precision engineering enables Tubex treeshelters to be nested for ease of transportation and storage. Nests are easily pulled apart, and thumb releasable ties are pre-fitted for fast and efficient application. 60 - 5' tubes per bundle

#1370000

Sea Life™ Kelp Meal

In addition to an animal feed supplement, Sea Life is also a soil conditioner made from the seaplant *Ascophyllum nodosum*, which is harvested from coastal Maine waters; contains 60 trace minerals and an assortment of amino acids, enzymes, and alginates that feed and stimulate the necessary microorganisms in your soil. A healthy, active microbial population will breakdown organic material and improve the quality and texture of the soil. Exceptional natural ingredient for increasing organic matter; Improves microbial activity in the soil; Reduces nutrient leaching; Increases water retention; Promotes manageability and tilth in heavy soils; Improves soil fertility; 50 lb bag.

Garden Weasel

The 5-way cultivating tool that became a household name is now better than ever. Now, we've taken all your comments and combined them with our expertise to create the ultimate Garden Weasel. This improved version is more solid than ever, from head to tines. Limited Lifetime Warranty. #90206

- Durable, super-strong steel design = Cultivate with half the effort & twice as fast!
- Scissor-like action of bladed wheels = Breaks up soil with ease and cleans itself with each turn!
- Detachable tines = Flexibility to work around rows & between plants!
- Durable Carbon Steel
- Weather & Rust Resistant
- Aerates & Weeds
- Comfort-Grip Handle
- Easy to Store
- Self-Cleaning
- Overall Height = 55 3/4"
- Durable Tines

Garden Weasel Garden Claw

Weasel Garden Claw works hand-in-hand with Garden Weasel to maintain your garden beds all season long. Garden Claw is especially useful early in the gardening season to turn the first soil of the year. Just place Garden Claw in any soil, even if it hasn't been cultivated since the Fall, and turn the handle to easily cultivate packed soil. Garden Claw is versatile, medium-duty, and it's great for many soils. The comfort-grip handles feel good in the hand, and the spiral turn action offers 4 actions in 1: cultivating, loosening, aerating and weeding. #90316

- Great for Many Soils
- No Bending
- Overall Height = 38"
- Comfort Grip Handles
- Easy to Hang and Store
- Spiral Turn Action
- Fully Assembled

Garden Weasel Garden Claw Pro

Weasel Claw Pro works hand-in-hand with Garden Weasel to maintain your garden beds all season long. Weasel Claw Pro features repositionable cultivating tines for weeding or cultivating tight areas or wider expanses. Great for heavy soils, including clay. C.L.A.W. stands for Cultivates, Loosens, Aerates and Weeds and the Pro is no exception to the Garden Claw family in performing all those tasks. #91334

- Great for heavy soils & clay
- Repositionable Cultivating Tines
- Fully Assembled
- Weeds and digs
- No Bending
- Overall Height = 38"
- Comfort Grip handles
- Easy to Hang and Store

Garden Weasel Weed Popper Pro®

The Weasel Weed Popper Pro makes it easy to remove the toughest weeds by using a powerful, patented foot-lever tool. It's particularly effective for weed removal in southern or warm season grass zones and in areas where there's more sand in the soil. Simply push the tines into the weed base, press down with your foot, and pop out the weeds instantly - roots and all - with no chemical treatments! #950006

- Durable Carbon Steel
- Limited Lifetime Warranty
- Comfort-grip Handle

Estate Broadcast Spreader

Earthway Products

High volume 1,900 cu. in. capacity poly hopper; holds 80 lbs of fertilizer; 120 lb load bearing capacity chasis; Rate control setting located high on the handle for precise adjustments; Commercial quality enclosed gearbox for years of trouble-free use; Large 4.10/3.50x10" pneumatic wheels for easy rolling; Fully assembled in the box with full size folding handle with foam grip for instant set-up and use.

#1509110

Deluxe Residential Drop Spreader

Earthway

Large rustproof 1,770 cu. in. capacity hopper; holds 60 lbs. of fertilizer; Wide 20" drop spread pattern; Large 10" poly wheels; Fully assembled in the box with full size folding handle for instant set-up & use.

#1509108

Hand Operated Bag Spreader/Seeder

Earthway

Over-the-shoulder (with wide/comfortable shoulder strap) spreader designed for lawns, gardens & small acreage plots; Oscillating shut-off plate prevents clumping and aids in flow control; Convenient spring action rate setting control and support grip; Nylon bag features zippered top; High RPM gearbox provides a smooth, feathered edge broadcast; features enclosed glass-filled nylon gears.

#1509112

Commercial Broadcast Spreader

Earthway Products

High volume 3,350 cu. in. capacity hopper; holds 100 lbs of fertilizer and includes hopper screen; Heavy-duty frame has a 175 lb load bearing capacity; Rate control setting located high on the handle for precise adjustments; Height adjustable handle with 3 positions and cushion grip; Super duty enclosed gearbox; Large 13" pneumatic stud tires on rustproof poly rims; assembly required.

#1509116

Deluxe Residential Tow Spreader

Earthway

Designed for use with full size garden tractors; Two-bolt assembly for immediate use; Has same features as #1509104 spreader (listed below).

#1509106

Commercial Broadcast Spreader

Earthway Products

High volume 1,325 cu. in. capacity hopper; holds 50 lbs of fertilizer and includes hopper screen; Heavy-duty frame has a 175 lb load bearing capacity; Rate control setting located high on the handle for precise adjustments; Height adjustable handle with 3 positions; Super duty enclosed gearbox; Large 13" pneumatic stud tires on rustproof poly rims; assembly required.

#1509114

Deluxe Residential Broadcast Spreader

Earthway Products

High volume 1,900 cu. in. capacity hopper; holds 80 lbs of fertilizer; Large 10" heavy-duty poly wheels for easy operation over the roughest lawns; full size folding handle with foam grip for instant set-up and use.

#1509104

Gardex Professional Stiff Tine Rake Keller

Commercial quality steel tine rake with 22 stiff steel tines that can easily move large piles of debris; flip the rake over and it works as a pitchfork to pick up debris or spread mulch. Steel head secures with a double bolt through assembly to a 1-3/8" diameter x 48" hardwood handle. Perfect for landscapers, farms, stables, and forestry departments. Tine Width: 20", Tine Material: Steel, Number Of Tines: 22, Handle Length: 48" L x 1-3/8" dia, Head Material: Steel, Handle Material: Hardwood, Handle Finish: Lacquered; #11022.

#1322500

Precision Garden Seeder w/Plates Earthway

Plant a variety of vegetable and flower seeds with one continuous operation of opening the soil, planting the seed, covering, and marking the next row; precision depth gauge; row marker for even row spacing; includes 6 standard seed plates: #18100 Corn with 7" spacing; #18101 Radishes, leeks, asparagus, and spinach; #18102 Carrots, lettuce, turnips, cabbage, endive, onions, and tomatoes; #18103 Beans and small peas with 3.5" spacing; #18104 Peas, jumbo and early June with 3" spacing; #18105 Beets, okra, and swiss chard; #1001B.

#1509118

Extendable Tree Saw Hooyman Saws

If you're a hunter you have, no doubt, experienced a time where there was a branch or two that was just out of arms reach blocking a shooting lane. The Hooyman Extendible Tree Saw allows you to safely reach and cut those branches making for clear shooting.

You'll find that Hooyman Saws are great for:

Hunting trips, Quick set-ups, Pack-in hunts, Impromptu hunts, Pre-season stand prep, Keeping in you backpack, Clearing over-growth since last season

Both a folding saw and an extendible saw. You can use your Hooyman just as you would any folding saw or add the extension and you'll reach branches that you could never reach before. The two segments "nest" together for easy compact transport. The telescoping extension system is sturdy and adjustable. Hooyman's exclusive positive locking design features individual sections that lock down individually, This gives you the ability to adjust length and assures the extension won't flex or collapse. The extension arm on Hooyman is constructed of aircraft grade aluminum so it's both lightweight and extraordinarily strong. The I-beam design assures stability and sturdy, flex-free operation.

#1371001 5' Tree Saw

#1371002 10' Tree Saw

Bell Faced Post Maul

Hardwood handle; ideal for driving wooden fence posts; *available in two sizes:*

#1303264 (12 lb)

#1303296 (14 lb)

Yaktrax Boot Scrubber Implus Footcare

The Yaktrax Boot Scrubber offers an efficient solution for removing excess dirt and debris from all types of boots and shoes. Simply mount the boot scrubber onto any flat surface. Made of steel and wood, this heavy duty boot scrubber will last for years to come.

#1710730

Finfish Food

Zeigler

An economical fishmeal-based diet formulated to feed a variety of omnivorous and piscivorous aquatic animals with moderate protein requirements. This diet provides a highly digestible, low pollution option for many applications including ponds, recirculation systems or flow-through raceways. Pellet Sizes: 3.0 mm and larger.

Pellet Type: Floating/Slow-Sinking.

- Ingredient selection based on true finfish digestibility testing.
- Balanced amino acid profile. Phosphorus levels below 1.12%.
- Protein sparing reduces nitrogen discharge and improves profits.
- Meets FDA requirements regarding restrictions on mammalian protein sources. Product Application & Storage
- Feed should be offered as consumed. Overfeeding will lead to reduced water quality and profits.

1600318	Finfish Silver - Floating - 3.0 mm (1/8") - 44 lb bag
1600320	Finfish Silver - Floating - 5.0 mm (3/16") - 44 lb bag
1600348	Finfish Silver - Slow Sinking - 40/10 - 5mm(3/16) - 44 lb bag
1600349	Finfish Silver - Slow Sinking - 40/10 - 3mm(1/8) - 44 lb bag
1600385	Pond Fancier - 5 lb bag
1600332	Pond Fancier - 5.0 mm (3/16")- 33 lb bag
1600364	Koi Grower - 20 oz cannister
1600342	Koi Grower - 3.0 mm (1/8") - 33 lb bag

#1322157 4'

#1322158 6'

Fiberglass Fence Posts

CFD

Premium Fiberglass Fence Post; UV protected with poly vinyl coating; 3/8" - Available in 4' or 5'; Coating prevents splinters on hands during installation; Maintenance free - won't splinter, rot, or rust; Flexible upon impact; Lightweight & durable; Packed 20 posts per bundle - each bag includes one plastic drive cap; Additional drive caps sold separately

#1322154 4'

#1322155 5'

Deer Barrier Easy Gardener

Easy Gardener Deer Barrier protects crops and property from deer or other animals. This strong, yet lightweight material will not rust, rot or corrode like metal or wood and is UV protected to last for years. There are no sharp edges, so it's easy to handle and won't harm deer. The black mesh material blends easily into surroundings and attaches easily to trees and posts. This product does not conduct electricity. Protects crops from deer and other animals; 7' x 100' rolls.

#1590506

Landmaster 5 Year Landscape Fabric Easy Gardener

Cost-effective way to stop weed growth without using chemicals. It's easy to use - simply cut to correct size, lay down and secure. The spunbonded material allows the free flow of air, water and nutrients, while blocking sunlight and weeds. Stops weeds without chemicals. Saves time weeding. Use in flower beds and vegetable gardens. 3' x 50' roll; #302234

#1590508

Tree Stake Kit Eaton Brothers

Contains everything needed to protect young trees from wind and storm damage; each kit contains notched, pointed hardwood stakes; 3 - 10' poly straps, and 30' of galvanized wire; sold by the kit

#1370028

Hardwood Stakes

A year-round standard. Eaton cuts these quality 1" x 1" stakes from mixed North American hardwoods (oak, cherry, maple). They are pencil pointed and banded into bundles for easy handling and retailing; 25 stakes/bundle; available in several lengths.

#1370040 3' stake

#1370042 4' stake

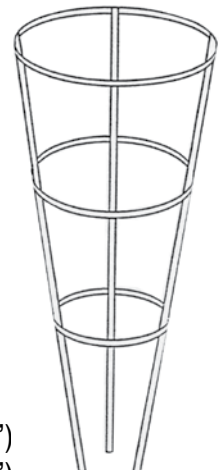

#1370044 5' stake

#1370046 6' stake

#1370048 7' stake

Tomato Cages Woodstock

Designed to promote healthier plant growth; durable construction; galvanized.

#1304500 (3 Leg; 3 Ring; 33")

#1304502 (3 Leg; 3 Ring; 42")

#1304504 (3 Leg; 4 Ring; 54")

Tomcat Rodent Baits & Stations

Motomco

Uses the active ingredient bromethalin, an acute active capable of controlling anticoagulant resistant house mice. When bait is gone, simply discard the station. Stations are pre-loaded (Disposable) or packaged with bromethalin block bait (Refillable). Bromethalin is a potent acute toxicant. Rodents stop feeding after eating a toxic dose, so more rodents are controlled with less bait.

#5323640

#5322778 and #5322786

#5323704

#5323640 4 pack - Mouse Killer II Disposable Mouse Bait Station

#5323704 4 x 1 oz bag - Mouse Killer III Refillable Mouse Bait Station

#5322778 8 x 1 oz bag - Mouse Killer I Refillable Mouse Bait Station

#5322610 1 pk - Mouse Killer III Disposable

#5322786 16 x 1 oz bag - Mouse Killer I Refillable Mouse Bait Station

Tomcat Rat Bait Stations (with Bait)

Motomco

Uses the active ingredient bromethalin, an acute active capable of controlling anticoagulant resistant house mice. When bait is gone, simply discard the station. Stations are pre-loaded (Disposable) or packaged with bromethalin block bait (Refillable). Bromethalin is a potent acute toxicant. Rodents stop feeding after eating a toxic dose, so more rodents are controlled with less bait. Meets the EPA's highest level of station security and quality. Proven to be tamper-resistant to kids and dogs. Can be used indoors or out. Comes with a clear lid for easy bait monitoring. refill station until supply of blocks is gone. 1 pack.

#5322880

Tomcat Bait Chunx and Rat & Mouse Bait

Motomco

TOMCAT is tougher than a barnyard cat for controlling rats and mice. TOMCAT baits are manufactured with human food-grade ingredients and enhancers, for a bait so palatable that rats and mice can't resist. Containing the anticoagulant diphacinone, TOMCAT is an economical, multiple-feeding bait that kills rats and mice in 4 to 6 days.

Mold & moisture resistant Patented gnawing edges:

#5332465 4 pk x 1 lb block/box

#5332444 1 oz bait chunx in 4 lb pail

#5332446 1 oz bait chunx in 9 lb pail

Ready-to-use pelleted bait; place pacs protect bait:

#5332360 3 oz place pacs in 22 ct pail

Rodent Bait Station (without bait):

#5333473 Holds 1 oz chunx and traps

Tomcat Glue Boards

Motomco

New design captures rats & mice better; Non-toxic; Ready-to-use; capture rat and mice without poison. The powerful adhesive holds rodents securely, once they step onto the glue. Adhesive traps are ready to use and easy to dispose of. Place every 8 to 12 feet for mice and 15 to 30 feet for rats along rodent runways, between their feeding and nesting areas. 2 boards/pack.

#5332424

Victor™ Mouse and Rat Traps

Victor

The original spring-type mouse trap; metal bait pedal; set with peanut butter, cheese or other natural mouse and rat attractants.

#1800302 mouse - 36/case

#1800303 rat - 12/case

Tin Cat™ Repeating Mouse Trap

Woodstream

Easy-to-operate; high capacity; low profile; fool-proof; holds up to 30 mice without needing to wind, set, bait, or poison; heavy-duty galvanized construction; solid top.

#1800306
