PRODUCT INFORMATION

Product Name: Lube Aid
Product Code: 0250

Company Info:

AGresearch, Inc.
Ph: (815) 726-0410
Fax: (815) 726-0521

EMERGENCY: 1-800-424-9300 (CHEMTREC)

The information in this SDS has been obtained from a number of reputable sources. However, its accuracy cannot be guaranteed. It is the user's responsibility to evaluate the information and use it in a prudent manner for its particular purpose. AGRESEARCH, INC. assumes no liability for the use of this information.

Section 2.

Hazards Identification

Hazardous Ingredients: None

Section 3.

Composition / Ingredients

Hydrous Magnesium Silicate IFN 8-16-378

Section 4.

First Aid Measures

Eye Contact: Acute Exposure: Direct contact with dust may cause mechanical irritation of the eyes.

Chronic Exposure: Repeated exposure may cause conjunctivae inflammation.

First Aid: Wash eyes with large amounts of water or normal saline solution. If irritation persists, seek medical attention.

Skin Contact: Acute Exposure: Direct contact may cause dryness, or may cause mild irritation if an allergic predisposition exists.

Chronic Exposure: Repeated exposure may cause dryness of the skin, or mild irritation if an allergic predisposition exists.

First Aid: Apply common skin moisturizers to relieve dryness. Irritations are uncommon; however, if irritation persists seek medical attention. Broken skin can be cleaned with mild soap and water.

Inhalation: Acute Exposure: Exposure to a large concentration of air-borne dust of this material may cause mechanical irritation of the mucous membranes.

Chronic Exposure: Repeated or prolonged inhalation of air-borne dust of this material may cause scarring of the lungs, with shortness of breath, chronic cough, and respiratory assisted heart failure. Prolonged exposure to this material can produce symptomatic pneumoconiosis.

First Aid: Remove from exposure to fresh air. If breathing has stopped, perform artificial respiration and get medical attention immediately.

Ingestion: Acute Exposure: This material is considered to be harmless when ingested.

Chronic Exposure: Repeated ingestion of large doses of this material for 13 and 10 successive days by rabbits and mice, revealed negative teratogenic and carcinogenic results.

First Aid: Treat symptomatically and supportively. If vomiting occurs, keep head lower than hips to prevent aspiration.

Section 5. **Fire Fighting Measures**

Flash Point: None

Extinguishing Media: None

Section 6. **Accidental Release Measures**

Steps To Be Taken If Material Is Released Or Spilled - No special steps required

Section 7. **Handling and Storage**

No special precautions required in handling and storage

Section 8. **Exposure Controls / Personal Protection**

Respiratory Protection: Use a dust filter or an organic vapor type respirator

Eyes : Wear protective eyewear (goggles or face shield)

Ventilation: Adequate ventilation should be provided

Section 9. **Physical and Chemical Properties**

Physical State: Powder

Color: Grayish-White

Odor: Earthy

Specific Gravity: 2.7-2.8

Solubility: Insoluble

pH: Slightly basic

Decomposition Temperature: 1100°-1800°F (600°-1000°C)

Section 10. **Stability and Reactivity**

Reactivity: Stable

Decomposition: None Hazardous

Vapor Pressure: Essentially 0mm Hg @ 20

Section 11. **Toxological Information**

Toxicological Hazards None

Section 12. **Ecological Information**

Ecological Hazards None

Section 13. **Disposal Considerations**

Waste Disposal: Material can be landfilled. Observe all state and federal regulations.

Accidental Spills: For large spills, shovel or sweep up and place into suitable sealed containers for reclamation. Wet material can be sewerred, if quantities are small and diluted enough that slurry or gels will not cause drain system blockage. Wet material can cause a surface to become slippery.

Section 14. **Transportation Information**

Follow Local, State, and Federal transportation laws.

Section 15 **Regulatory Information.**

All Federal, Local and State laws followed

All ingredients are AFFCO approved

Section 16: **Other Information**

Please be advised that it is your responsibility to inform all employees of the hazards of this product and advise them of these properties mean and that they understand them.
